Date: April 11, 2011

Time: 5:45pm Registration and Socializing (sample a

(To be introduced April 11)

Our Speaker

Meet Ron Abo, architect extraordinaire, and catch his colorful presentation "Sustainable Germany"

Ron says: Europeans use far less energy than we do. They produce more electricity from alternative energy sources than we do. Their carbon footprint per capita is half of ours. Are they more technologically advanced? Are they superior in their commitment and political will? Are they accustomed to getting by with less? Are their buildings as functional and safe as ours? These are the questions that I attempted to answer by traveling to Germany on an AIA Colorado Education Fund scholarship and visiting with architects, engineers, green building specialists, politicians, and plain German folk. My slide show covers my trip through Belgium and Germany and includes stops in Liege, Aachen, Wuppertal, Dessau, Dresden, Berlin, Hamburg, and Cologne.

selection of great German beer and wine courtesy of our hosts) followed by the meeting and dinner

Place: [Paulaner HP USA](#) facilities at 861 Southpark Drive, Suite 400, Littleton, CO 80120-5684 ([Click here for map & directions](#))

Cost: \$28.00 for members and guests payable online or cash, check or credit card at the door. **RSVP required..**

Reservations Required: Register and pay in advance at [www.GACCCO.org](#). Questions? Contact Paul Maricle at maricle (at) GACC-CO.org or at (720) 536-4662

Note: The evening is limited to 50 attendees so please **register early** at [www.GACCCO.org](#). We would appreciate your reservation by noon on Thursday, April 7, 2011, in order for Lee George, executive chef at the [Warhorse Inn](#), to prepare appropriate quantities of food.

Please share this invitation: Forward it to a friend who may have an interest.

Mit freundlichen Grüßen,

Ihr *GACC-CO*

About the GACC-CO: The **German American Chamber of Commerce – Colorado Chapter** is the initial contact for German companies considering business in the Rocky Mountain region and connects German decision-makers with their U.S. counterparts.
